

Incident Detail

Incident Name: Brittany Sexton Exterior Vehicle Damage INDY **Date of Incident:** 01/16/2023 10:00 AM

Incident Type: PROPERTY DAMAGE

Workday Period: During normal work activities	Activity Details: Homeowner came out to her vehicle Tuesday morning and noticed pink spray speckles all over her exterior and numerous locations on the grass, leaves, driveway, sidewalks, and street. It appears a bore crew was on site and a can of pink spray burst and caused a severe mist that coated her vehicle.
